Celebrate Our Company's Top Producers & Agencies of 2019

JAMES GREENE, PICKETT INSURANCE HONORED AS LARGE AND MID-SIZE AGENCIES OF THE YEAR

Last Updated June 8, 2020

You can join us in celebrating the accomplishments of Brotherhood Mutual's most successful producers and agencies from the past year. Since we weren't able to host an awards banquet in May, as is our custom, we plan to present each award in person during agency visits this year. Please congratulate each of our national award winners for the amazing contributions they made during 2019.
