**Are you a renter or do you know someone who is renting? Get insured!**

**Renters insurance helps protect you and your belongings when moving into the dorm, renting a house, or renting an apartment.**

#### **Personal Property Coverage**

Personal property coverage will help to cover your possessions and may help reimburse you if they are stolen or damaged by a covered loss.

#### **Liability Protection**

Liability coverage may help prevent you from paying out of pocket if you are legally obligated to pay for another person's medical bills or damage to another person's property.

#### **Additional Living Expense Coverage**

Additional living expense coverage will help cover the cost of living somewhere else while your unit is being repaired due to a covered loss.

#### **Medical Protection**

Medical protection may help pay for necessary medical expenses if someone is injured in an accident at your residence.
