TRAVELING THIS SUMMER?

Whether it be to work, or to the beach...

Here are some tips you should keep in mind if you find yourself needing to make a claim after a car accident.

- Take pictures of the damage to your vehicle and the scene of the accident if you are able.
- Exchange insurance information with the party/parties involved.
- Call Brethren Mutual Aid Agency ASAP with honest information. If the accident occurs after hours call 800-255-1243 and our phone will direct you to the right place. In some cases, a police report will need

to be filed. If you did not get a police report at the scene, you can go to a local police station to file a report.

- DON'T fix anything before the adjuster has seen it.
- The adjuster will either inspect the damage or will ask you to take the vehicle to a certified repair shop for inspection.
- The adjuster will consider and evaluate the facts and your policy and potentially make an initial payment.
- A final payment will be authorized. You will sign a

release, accepting the payment as payment in full for the case.

- If you tow before making a claim, keep the receipt. The tow could be covered under your policy.
